Re: Real Alternatives & Human Coalition

Dear Mr. Stevens:

This is in response to your open records request of August 15, 2018 to the Texas Health and Human Services Commission for records pertaining to Real Alternatives and Human Coalition.

As I explained in an earlier email to you, the only matching term we identified in any emails we have received was "Real Alternatives." I have enclosed a compact disk containing the information you requested except for those documents coming within the attorney-client privilege and the pre-decisional policy discussions protected from public disclosure, which you agreed may be withheld without requesting an open records decision from the state Attorney General.

If I can be of further assistance to you, you may contact me at (512)/424-6910.

Sincerely,

Robert W. Patterson  
Open Records Coordinator
